Dear Customers, Welcome to REMTECHSTROY GROUP Online-Store-Platform CRM (www.tampers.eu).
Our team will assist you in Marketing and Delivery of railway rolling stock and railway mechanization directly from the Seller (from the real owner - Provider/Seller), and also in the sale of your railroad mechanization, wagons, railway products and railway services on worldwide railway market. We are extremely well aware of this market, through our everyday direct personal contacts with our net of clients, REM agents and REM dealers' network all over the world . (More Information)
